

## Jaws

Death Plus

Let's see what you think I do the most  
Or you pull up to the venue, bet you won't  
Do that shit cus you ain't really with the know  
All these motherfuckers ever do is talk  
What the fuck you pussies even really 'bout?  
I'd be embarrassed to even be seen with y'all  
You [?] me, I'ma turn into a motherfuckin' beast  
And I'ma turn the fuckin' scene into Jaws  
Yeah
