

Long Distance

Death Plus

I was never what you wanted
Go and tell me that you want it
But I know that you don't want this
I know you just wanna feel good for tonight
But I don't know if you could want my [?]
Without looking like you gonna die in pain
I got things I can't tell you, but I'm not safe
Yeah, I'm not the one you want, babe

I'm in the grave, you can watch me rot, babe
It's been a while since we last talked and
You wanna let go, tried to cut me off
Same story as the last time, just as long
Two years, still got me hangin' on, yeah
And I'mma be there 'til you're gone, babe
The only one that can sing your song, cause
I'm the only one you want, babe
(Still got me hangin' on, yeah)
(I'mma be there 'til you're gone, babe)
(The only one that can sing your song, cause)
(I'm the only one you want)

I was never what you wanted
Go and tell me that you want it
But I know that you don't want this
I know you just wanna feel good for tonight
But I don't know if you could want my [?]
Without looking like you gonna die in pain
I got things I can't tell you, but I'm not safe
Yeah, I'm not the one you want, babe
