

Missed Calls

Death Plus

All gone, now I can't really cope without
All alone, and I'm tryin' to shrug it off
No hope, finna pump the slugs off
Right into my dome, as my life just cuts off
I used to call you
I used to call you on the phone
I used to be with you

I used to call you
I used to call you on the phone
I used to be with you
I used to be with you when you were all alone
Do you remember?
Do you remember me at all?
Don't you miss me?
Don't you miss all those missed calls?

All gone, now I can't really cope without
All alone, and I'm tryin' to shrug it off
No hope, finna pump the slugs off
Right into my dome, as my life just cuts off
(I just want to be alone)
(I just want to be alone)

I just want to be alone
Don't you fuckin' come around me no more
I just want to be alone
Don't you fuckin' come around me no more
