## Death Plus

Why you wanna fuck with the greatest?  
I take you back home and send you to the flame, bitch  
Said why you wanna fuck with the greatest? Bitch  
All of these nobodies tryna get fame  
Bitch, I done been on that shit for a while (For a while)  
Bitch, I go off  
Fuck is you saying? Bitch, I go off (Go off)  
Give one to the [?]  
Fucked up, Yung Death Mane  
Step to me, you can feel the fuckin' death swang  
Got the blade, slice open yo chest and I rip through yo flesh '  
til I slice through your membranes  
Yung Death [?] third-person shoot at you  
Know he be around the corner whenever you look  
Yeah, Yung Death don't give a fuck about anybody  
He do what he do to get where he be pushin'  
Yung Death be the spirit [?]  
And tell me I need to focus on my work  
And I'm here [?] death is your purpose  
Out in the bushes, I'm lurkin'
