

Nothing

Death Plus

Why you wanna fuck it up?

You tell me, what's the good if you just want my money, yuh
I don't get to running up 'cause this ain't really nothing, nah
Since I was a youngin' I was hustling, I had nothing, nah
You think I'm ugly, yeah, you know that I ain't cuffing at all
So you wanna get the fuck out [?]

Bitch, I'm proud of all the things I did and I done 'em all
Yeah, I love it, all these people I don't fuck with at all
They wanna fuck with me? You know I don't do nothing at all
[?] I don't really want nothing at all

Tell me something, why you always going out to the mall?
Come back with nothing then I hit it then I'm fucking you raw
Like I love you and I really don't love nothing at all
I mean nothing, yeah I hate the way that you fucking talk
So I don't say nothing, I'ma get the shit I want, I'ma ball
You won't get nothing, yeah I know I don't mean nothing to ya
I don't mean nothing
