

## OG KUSH

Death Plus

Maybe you think you're fast enough to keep up with us, huh?  
A lot faster than you'll ever live to be

Ash the blunt in my fucking grave  
Watch the world as it falls away  
Breaking up leaves as I'm fallin' asleep  
If this all is a dream then I just wanna wake  
Cocaine run through my veins  
Trees that rise in my brain  
And I made my imagination, don't be afraid  
To be like me, don't like me  
Bitch, I'm righteous, the highest  
I'm lifeless, make sacrifices to the baphomet  
Rappin' shit that you just ain't imagined yet  
And reppin' shit that you don't know  
My whole block is a battlefield  
Lost boy, you don't know the cost boy, yo' ain't shit  
To me and my killas fillin' blunts with nubs of the dank shit

OG Kush, motherfucker, what you smokin' on? (Yuh)  
I got that OG Kush, motherfucker, what you smokin' on?  
So what you smokin' on? (Yuh)  
You can't see me behind these clouds  
I know you know that I be smokin' strong (Bitch)  
Said I got that OG Kush, motherfucker, what you smokin' on?  
You can't see me behind these clouds  
I know you know that I be smokin' strong (Bitch)
