

## Right There

Death Plus

You were right here when I was lowest  
I think I gotta go and you know it  
I was thinking too much when I wrote this  
Yeah (Senpai)

You were right here when I was lowest  
I think I gotta go and you know it  
I was thinking too much when I wrote this  
I'll probably take it back, so don't quote it  
It's a different story every time they told it  
Either wind or the wave, I rode it  
Everything they say is getting old  
They're the reason I keep feelin' low

I'm wondering if I should back now  
Everyone I know is so fuckin' wack  
I don't really wanna talk, I don't wanna even rap  
I just wanna let this out, that's why I'm on this fuckin' track  
now

You used to tell me that you loved the way (Loved the way)  
I do this shit until you really see (You don't wanna know)  
What it's like to really be with me  
I don't really give a fuck about anything

You were right here when I was lowest
