

# Running Outta Time

Death Plus

Running outta time  
Running outta my mind  
I'm losing all of my focus  
And nothing ever seems right  
I can't fall asleep at night  
You're all I think about at night  
I've been really losing myself  
And I think I wanna die

So far gone  
So far gone

But don't think that I don't love you now  
But don't think that I don't love you now  
But don't think that I don't love you now  
But don't think that I don't love you now
