

Still High

Death Plus

I just wanna tell you what I want
Tell you what I'm thinking when you're gone, girl
Tell me if you wanna hit the blunt
Tell me if you wanna get with us, girl
Told you I won't listen to your thoughts
I just wanna get fucked up, oh yeah
I just wanna fuck around with drugs
Why you talking to me, girl? No
I just bought [?]
I got bad habits, can't run
Wanna kill myself like [?]
Wanna kill myself and meet God, oh yeah
Why you talking to me like you want it?
Thinkin' I'm the one, yeah, I got it
Wanna hang with us? You gon' die, bitch
Yuh, I said I like getting high
