Talking To You

Death Plus

```
Talking to your picture
Wasn't gonna do this
I was tryna keep it cool tonight
But I was in your t-shirt
I was bouta lose it
Now I'm tryna make everything alright

Talking to your picture
Wasn't gonna do this
I was tryna keep it cool tonight
But I was in your t-shirt
I was bouta lose it
Now I'm tryna make everything alright
I just can't stop thinking
Think of all the reasons
That I wanna end my life tonight
It's just cus I miss you
Wasn't gonna do this
But I'm talking to you again tonight
Yeah

Wasn't gonna do this
I was tryna keep it cool tonight
```
