

Ugly

Death Plus

Wanna be ugly, wanna be ugly
And she wanna be just like me
Wanna be ugly, wanna be ugly
And she wanna be just like me

Wanna be just like us, yeah
Ugly, it sounds like fun, yeah
Running through the city with the drugs like
Gotta get away from it some time
I wish I was home still, sometimes
It's been getting to me but it's alright
I been on the same shit all the time
I think I need to face it, now it's time

'Cause I wanna be ugly, wanna be ugly, wanna be ugly
She wanna be like me
'Cause I wanna be ugly, wanna be ugly, wanna be ugly
She wanna be like me
