

Unhappy

Death Plus

You're always talking like you want it
But I know you don't really want it
Since the last time we talked, yeah
You been really up on me
If that's the only thing you want, girl
Then I'ma show you what I'm on, girl
But I'm just messing, I don't want her
And it's funny 'cause I got her, no

I been tryna get through to you, it's fine
What you want with it, girl? I'm out my mind
I been thinkin' 'bout the past like every night
Want the drugs, want you, I wanna die
And I'm lost in a world you don't know about
I been goin' through it, yeah, and I just want help
You don't see me anymore so don't talk now
I been so far gone in places you ain't found
I'm the one you don't want and I'm no fun
I'm the ugly one, yeah, I'm your only one
We don't talk like we used to, I guess that's fine
I'm just thinking, just like every night

I don't want
You to be
All upset
Like you used to be
And it's fine
I don't want you to cry
But I don't wanna be
Unhappy

I'm so stuck in the past right now
(I'm ugly, unhappy)
I been feelin' so trapped and so surrounded
(I'm ugly, so unhappy)
Out here on my own
(I'm ugly, unhappy)
I'm thinkin' I'm gon' lose control
(I'm ugly, so unhappy)
I'm so stuck in the past right now
(I'm ugly, unhappy)
I been feelin' so trapped and so surrounded
(I'm ugly, so unhappy)
Out here on my own
(I'm ugly, unhappy)
I'm thinkin' I'm gon' lose control
(I'm ugly, so unhappy)

I'm ugly, unhappy
I'm ugly, so unhappy
I'm ugly, unhappy
I'm ugly, so unhappy
