

What Do You Want?

Death Plus

Yuh, aye

What do you want?
When do you talk?
What do you want?
Tell me what you want

What do you want from me?
Yeah, you don't even know
You [?] me out like every week and every weekend, though
Yeah
I wanna tell you but I know I shouldn't
I couldn't hurt you without a perfect [?] reason, though
I really think that you should take some distance
This is just my business
I'm not supposed to care about how I treat a hoe
I'm on a mountain, elevated off the ground
Yeah, you can't get to where I [?]
But I can see you from the peak, though

What do you want?
When do you talk?
What do you want?
Tell me what you want
