Why are you talking?  
Why you talkin' 'bout me like that?  
You don't want it  
Yeah, you don't want nothing like that

I cut through you, I cut through you with one glance  
I don't know you, I don't know why you don't get that  
I been chasin', I been chasin' that one thing  
I've gotta get that, I'm gonna get it, put it on me  
I hear you talking, I hear you talking all about me  
But you don't get that, and it don't really matter to me  
It don't matter, yeah it don't really matter to me  
I just gotta get there, to that place where I wanna be  
I'm trying to move it, I'm tryna push through, yeah  
I gotta do it, I wanna see it too, yeah  
Tryna get to you, tryna get over my old life  
I think I knew you, I think I knew you at one time

Why are you talking?  
Why you talkin' 'bout me like that?  
You don't want it  
Yeah, you don't want nothing like that
