Yeah, baby, I must've been fucked up
[?] yeah, I'm tired
Everything that's not us is everything [?]
You're such a mess, I'm so caught up
I just do my best but my life's all fucked

Yeah, baby, I must've been fucked up
[?] yeah, I'm tired
Everything that's not us is everything [?]
You're such a mess, I'm so caught up
I just do my best but my life's all fucked
Young lust, coming undone
