### DEATH SPELLS

I want nothing more than to see your smile fade  
Flood the hall with original sin  
I know what it is to be in love with loneliness  
I've come to grips with my malcontent and  
Channeled rage is a cause I can stand behind  
So mow 'em down cause they don't mean shit  
Take my lead, just stay asleep, cause honesty is...  
Such a let down  
I took all the drugs that guaranteed my normalcy  
I took a swim in their disappointment  
Cause no one cares til your pain becomes lucrative  
So give 'em hell, cause 'em pain, make 'em hurt  
Sell your soul for a piece of Hollywood  
And listen close to a million hearts breaking  
Your hopes and your dreams  
Are ripped at the seams  
They're bought and they're sold to the highest bidder  
You're soaked in regret  
You're taught to accept  
That your world is in debt to the highest bidder  
I can't control what my heart tells my head,  
if my heart tells my head that it needs to destroy everything in  
n its path.  
Cause my love will tear your pretty little head from it's neck  
You're soaked in regret  
You're taught to accept  
That your world is in debt to the highest bidder  
Officer, no officer no...  
Off with their heads
