

Always locking the doors to your mind  
Escaping the reality that surrounds you  
Using faith as an excuse to kill  
A sick way of life is now revealed

All the prayers in the world can't help you now  
A killer, a taker of life is what you are

Speak no more lies  
It's your turn to die

Preach the good word  
Speak no more, prepare to burn  
A justified torture?  
From this may others learn  
The life you took a holy death, a grave mistake  
No changing your mind, your life you should pay

Practice what you preach  
Your loved one is now deceased  
Knowledge is at our hands  
Never to understand

Spiritual Healing

Blinded by the twisted ways of your live  
Kill for religion, will the Lord forgive?  
Idiocy has stricken your mind  
A real-life hell you will find
