

Torn to Pieces

Death

Out to find the truth
Behind the myth of
Man eating man
Finding bodies tied
Up to a stake
You cannot understand

Filled with ignorance
You watch them eat you friends
Ask for evidence
A hook right through your tits

Torn to pieces
Torn to pieces
Torn to pieces
Torn to pieces

Trying to escape
They torture you by
Cutting of your cock
When you're dead
They'll feast upon you flesh
You brains they'll
Eat and chop

Pray if you want
Pathetic rancid cunt
Face reality
Death your final plea

Torn to pieces
Torn to pieces
Torn to pieces
Torn to pieces

Torn to pieces
Torn to pieces
Torn to pieces
Torn to pieces
