

# Alone Again

DeathbyRomy

I was calling you for hours, said you'd bring me flowers  
But you never came  
You say that I'm your baby, you said that you love me  
And that I'm insane  
Been waiting for you all night, but you never show  
I'm starting to cry again  
You will never show up, I thought that you were the one  
But you said please walk away

Go be alone again  
I'll go be alone again  
I'm leaving you alone again  
No I don't want [?]  
All that shit was it just play pretend?  
Cause I'm really starting to lose it  
Don't know if I can do this  
I don't know if I can do this

I was calling you for hours, said you'd bring me flowers  
But you never came  
You say that I'm your baby, you said that you love me  
And that I'm insane  
Been waiting for you all night, but you never show  
I'm starting to cry again  
You will never show up, I thought that you were the one  
But you said please walk away

Go be alone again  
I'll go be alone again  
I'm leaving you alone again  
No I don't want [?]  
All that shit was it just play pretend?
