

Beautiful Mayhem

DeathbyRomy

Adórame porque soy tu Dios
Beautiful mayhem
Violently happy
Sensual destruction, skin's only so deep

I feel the hunger
Let it consume me
Beautiful mayhem
I run towards what makes me afraid

Sweet sick fuck amidst
A sea of sinless counterfeits
Perfect prophets
All of your values are a myth

I'm a danger so
I sleep fine with myself
Sixth sense
Boy please, I'm conceived out of hell

So scared, you are
But on you it looks well
Undead and I'm livin to tell

Surrendering is powerful, fighting is weakness
Adórame porque soy tu Dios
Surrendering is powerful, fighting is weakness
Adórame porque soy tu Dios

Beautiful mayhem
Violently happy
Sensual destruction, skin's only so deep

I feel the hunger
Let it consume me
Beautiful mayhem

I run towards what makes me afraid

Sweet sick anarchist
No pain, no pleasure, it's a miss
Love to see you kiss the ring before you are dismissed

Six feet deep
I sleep fine with myself
Heartless, I pray
And you call it a spell

Collect my sins that are part of my wealth
Religion is a product to sell

Surrendering is powerful, fighting is weakness
Adorarme porque soy tu dios
Surrendering is powerful, fighting is weakness
Adórame porque soy tu Dios

Come closer

Don't fight it
Surrender

Beautiful mayhem
Violently happy
Sensual destruction, skin's only so deep

I feel the hunger
Let it consume me
Beautiful mayhem

I run towards what makes me afraid

I long for things I should not say

I'm not okay

I'm not, I'm not okay
