

# BITCHFAMOUS

DeathbyRomy

No more innocent blood left in my body  
When did lust and greed become the same  
You swear that you saw it coming  
You knew they you'd be betrayed

And still you'd kiss me when you lips were dripping lies  
Laying with me so vindictive all the time  
Had your predictions but you kept them deep inside...  
But sure I'll be the bad guy

I'm bitchfamous  
C c call me Judas  
I'm a liar and a cheat  
I'm bitchfamous  
C c call me Judas  
Know you wanna see me bleed  
I'm bitchfamous  
C c call me Judas  
I'm a liar and a cheat  
I'm bitchfamous  
C c call me Judas  
Know you wanna see me bleed  
And still you'd kiss me when you lips were dripping lies  
Laying with me so vindictive all the time

Touch me like you hate me  
Fuck me like you paid me  
Jesus Mary mother fucker  
Sorry excuse of a lover

And still you'd kiss me when you lips were dripping lies  
Laying with me so vindictive all the time  
Had your predictions but you kept them deep inside...  
But sure I'llll be the bad guy

I'm bitchfamous  
C c call me Judas  
I'm a liar and a cheat  
I'm bitchfamous  
C c call me Judas  
Know you wanna see me bleed  
I'm bitchfamous  
C c call me Judas  
I'm a liar and a cheat  
I'm bitchfamous  
C c call me Judas  
Know you wanna see me bleed  
And still you'd kiss me when you lips were dripping lies  
Laying with me so vindictive all the time
