

## fall

DeathbyRomy

Look  
They all wanna see me fall  
But I'm way too fast  
Please answer my call  
Oh, I'm waiting on ya, now  
So don't let me  
Fall

Don't do me like that  
No I won't let you fall  
And you already answered  
Could've been my last call  
But you wouldn't let me  
Cause you don't wanna see me fall  
No you're not like that  
You're not at all  
So don't doubt I love you  
Just cus you can't fall  
And I will not let you  
No I won't let you  
Fall
