

High

DeathbyRomy

Yeah, I'm so high
I'm so high right now
Can't come down
Fucking that hoe
Yeah, I'm so high
I'm so high right now
Can't come down
Fucking that hoe

So high off of your love
The world around me disappears
So high off of your love
I can't even see what's right there
Oh all of me wishes that I could not come down
And I fall to pieces baby every time you aren't around

Yeah, I'm so high
I'm so high right now
Can't come down
Fucking that hoe
Yeah, I'm so high
I'm so high right now
Can't come down
Fucking that hoe

I'd stay if you wanted
But you'd rather I disappear
You got what you wanted
The smoke fades, and it's all so clear
Oh isn't it funny the ways that they say they care
And all of your love is ashes it's always up in the air

Our first kiss had me so high I still can't even come down
Our love burns like ashes so it crumples too and falls down
Oh I just want a love that lasts not one that melts like honey
I think of your face now I must smoke or I better run b

Yeah, I'm so high
I'm so high right now
Can't come down
Fucking that hoe
Yeah, I'm so high
I'm so high right now
Can't come down
Fucking that hoe
