

# Let Me Fall

DeathbyRomy

Love my taste, love my touch  
Pleasing you's just never been enough  
Look around, look at me  
Am I not enough of what you need?  
Keep me close just to bleed  
Loosen your grip and let me go free  
Love is good, love is all  
Cut all the ropes and just let me fall

Fall, fall, fall, fall

You're all I want, not what I need  
Oh, so conflicted, can't even breathe  
You feel so good, but there's a sting  
God, how I hate what you do to me  
If you like, just take my life  
Rather die than hurt you one more night  
Love is good, love is all  
Cut all the ropes and just let me fall

Fall, fall, fall, fall

Ooh-ooh-ooh-ooh, ooh-ooh-ooh-ooh  
Ooh-ooh-ooh-ooh, ooh-ooh  
Ooh-ooh-ooh-ooh, ooh-ooh-ooh-ooh  
Ooh-ooh-ooh-ooh, ooh-ooh

Let me fall  
Let me fall  
Let me fall  
Fall, fall, fall, fall

Ooh-ooh-ooh-ooh, ooh-ooh-ooh-ooh  
Ooh-ooh-ooh-ooh, ooh-ooh  
Ooh-ooh-ooh-ooh, ooh-ooh-ooh-ooh  
Ooh-ooh-ooh-ooh, ooh-ooh
