

# numb

DeathbyRomy

I'm numb  
I was right, for once babe  
You're gone  
Guess I, should of known we'd starve  
Well, now I feel like  
It's the last time I'll see your face  
I'm numb  
Yeah, I've been [?] about you  
Been on my own shit since day two  
Independent, don't mean I don't miss you  
Yeah, I can bang on my own, but I want you  
Yeah, I still know that I told you  
But that shit was real  
And even though you don't even know the deal  
Cause where you been boy, hurtin'  
No, that's not what I want  
But I'm too busy working  
On me, on my own things (yeeah)

(Won't forget a thing)  
(Oooooh)  
(Ooooh uuhh)  
(Uhhhh)  
(I am on my own)  
All of a sudden I was lost there  
Because I lost you, but now I'm numb  
Yes, you're still see through  
But it's ok, because I miss you on my phone
