

**-1**

**DEATHGAZE**

You couldn't be I can't understand  
Fuck you all that  
Without a goddamn reason  
It's all your fault  
I'm over you we're lost cause  
Fuck you all that  
They're all your mistakes  
It's our last call

Just give me -1 thing  
Fuck the world and fuck the place  
Just give me -1 thing  
Sick of believing sick my brain
