DEATHGAZE

I just say goodbye.
I say all alone.
My lost forever.
Break my vain decade.

kono omoi ga harisakete mo
kanjite ite kienai you ni

I never think.
And wish for never hate to me.
We never end.
I need you forever.
You never think.
And wish for never love to me.
We never end.
You need me forever.

ima hibike kuzurenai you ni tadori tsuku made

hitotsu ni naru karameta kokoro
hanare wa shinai me wo hirake subete wo shinjite

I never think.
And wish for never hate to me.
We never end.
I need you forever.
You never think.
And wish for never love to me.
We never end.
You need me forever.
