

## Sadistic Smile

DEATHGAZE

Let's get showtime  
Form a sadistic smile  
They could not trust you  
Silence killed the truth

No glory left to find  
We're dying for no reason  
Take it away  
You all have seen the suffering.

I don't know real pain  
I feel like drop dead

□□□□□□□□□□  
I don't know real pain  
Here is the new world  
□□□□□□□□□□  
□□□□□□ broke state of mind

Tell me from insane  
I want to spend my days?  
I ain't that free  
It's no one's fault

Who is to blame for this mess?  
You can't motivate anyone  
Who said you could do that?  
Deadly dull life  
I'll die first

I don't know real pain  
I feel like drop dead

□□□□□□□□□□  
I don't know real pain  
Here is the new world  
□□□□□□□□□□  
□□□□□□ broke state or mind

□□□□□□□□□□  
I dont know real pain  
Here is the new world  
□□□□□□□□□□  
□□□□ broke state of mind
