

You Cannot Even Find the Ruins...

Deathspell Omega

You cannot even find the ruins
of the jewels of yesterday
they're ashes gone
memories wiped clean

You cannot find any jewels
among the ruins of today
everything's stale
muffled silence
for a thousand years

You cannot even find the ruins
of your breath
Too much love to bear
Reborn sterile and dead

Whatever is now, is right

You cannot even find the ruins..
You cannot even find the ruins..
