

Virtue to Vice

Deathstars

These secrets Ill bring to you
Are of thorns and ice

Hush.

Dont tell them nothing, not a word
Hush

Dont tell them nothing, not a single thing that Ive said to you

Hear all my secrets
Tell all the lies
Hear all my secrets
Tell all the fucking lies!

Can you hear it scream?
Deep deep inside

Hush

Now listen carefully, here it comes
Hush

Its what I keep inside, this is the crime that Ive tried to hide

Hear all my secrets
Tell all the lies
Hear all my secrets
Tell all the fucking lies!

Can you hear it scream?
Deep deep inside

Envy...Sloth...Gluttony...Wrath...Pride...Lust...Greed

These secrets Ill bring to you
Are of thorns and ice
These secrets Ill give to you
Will turn virtue to vice

These secrets Ill bring to you
(These secrets Ill bring to you)
Are of thorns and ice
(Are of thorns and ice)
These secrets Ill give to you
(These secrets Ill give to you)
Will turn virtue to vice
(Will turn virtue to vice!)

Can you hear it scream?
Deep deep inside

Ill tell you only once
