

Disassociate

Deb Never

Rattling the cage
Threw the keys away
Wonder why...
I...

Disassociate
I wanna run away
I wanna fly...
Fly...

Feel nothing at all
Substance keep me numb
Where did I go wrong
Searching cause it

Feels like something missing
Fall asleep right next to all my demons
Tell me that you'll wake me when it's over
Think I'm scared to death of growing older

Don't wanna fade away
And when it's pouring rain
Look at the sky...
I don't know why I...

Disassociate
I wanna levitate
Ya I could die...
Cause I...

Feel nothing at all
Substance keep me numb
Where did I go wrong
Searching cause it

Feels like something missing
Fall asleep right next to all my demons
Tell me that you'll wake me when it's over
Think I'm scared to death of growing older

Don't wanna fade away...

Feels like something missing
Fall asleep right next to all my demons
Tell me that you'll wake me when it's over
Think I'm scared to death of growing older

Don't wanna fade away...
