Funky

Deb Never

Don't wet your eyes, everybody's watching
Don't let this life swallow you whole
Someway somehow I will find you running
You'll make it out so take it slow

Lately I don't know how I feel
Look in the mirror I see somebody else
I guess I don't know myself
I've been stuck riding this rollercoaster
No cheaper thrill, moments passing me by
While I'm stuck standing still
What if

The sun shines brighter on the other side
What's a paradise when it rains
Olly olly oxen free (Olly olly oxen free)
Finding peace when I hear them singing

Don't wet your eyes, everybody's watching
Don't let this life swallow you whole
Someway somehow I will find you running
You'll make it out so take it slow

It's been a day or two, I'm in a mood
Changing channels on my pay-per-view
And I laugh when nothing's funny
'Cause I dance when I'm feeling funky
But I'm lost in a crowded room, I hate the view
Stuck in a groundhog everyday
Running into grass where I can lay
Getting faded watching planes

The sun shines brighter on the other side
What's a paradise when it rains
Olly olly oxen free (Olly olly oxen free)
Finding peace when I hear them singing

Don't wet your eyes, everybody's watching
Don't let this life swallow you whole
Someway somehow I will find you running
You'll make it out so take it slow

If I'm chasing this high
Then how far could I fall
Am I out of my mind?
Learning to let it go
Before I lose control
I'ma let this shit ride

Don't wet your eyes, everybody's watching
Don't let this life swallow you whole
Someway somehow I will find you running
You'll make it out so take it slow

(Take it slow, take it slow...)
(Finding peace when I hear them singing)
(Olly olly oxen free)

(Finding peace when I hear them singing)
