

In My Head (Interlude)

Deb Never

Ay, you already know what it is
Moon landing, we ain't ever coming down

Oh-ooh-oh
Oh-ooh-oh
Oh

Said, in my head
I don't want you in my head
In my head
I don't want you in my head
In my head, yeah
In my head
I don't want you in my head
My, in my head
In my head
In my head
Don't wanna beg you

Oh-ooh
