

Mania & Bliss

Deb Never

(Going on and on)
Falling through the roof
Running on the moon
Don't wanna lose your touch
I don't wanna move too much
Coming down soon enough
I don't wanna move too much
I close my eyes
I'm in the sky

Going on and on
Let it pass
Let it fall
Where it lands
Bouncing off the walls
Moving fast
Back and forth
Will this last

Going on and on
Let it pass
Let it fall
Where it lands
Bouncing off the walls
Moving fast
Back and forth
It won't stop

(Stop stop stop stop stop stop stop)

I'm coming up too quick, too quick, too quick
I'm falling till I'm sick, I'm sick, I'm sick
Forever feel like this, like this, like this
The mania and bliss and bliss and bliss

Do what you wanna do
Do what you wanna do
Do what you wanna do

I gotta have it all
I just can't help myself
Just like a cannonball
I guess I'll wreck myself

I gotta have it all
I just can't help myself
Just like a cannonball
I guess I'll wreck myself

(The mania and bliss)
