

# OCEAN

Deb Never

Oh, let's run away today  
To another escape, [?] ocean  
Let's play a game today  
Like everyone else with my emotion  
Oh, oh, oh, oh, ah

If I could only fall asleep  
To pass the time  
I hear the voices calling me

Somewhere we know  
Somewhere you go  
Somewhere I don't mind  
Pack my things and [?]  
And leave it all behind

Let's run away today  
To another escape, [?] ocean  
Let's play a game today  
Like everyone else with my emotions  
Oh, oh, oh, oh, ah  
Oh, oh, oh, oh

Please tell me why I don't care  
I see you everywhere  
Please don't come right near me  
Might murder someone 'cause I can  
Sounds so crazy but I love you to, much  
Please don't hurt me now  
Sounds so crazy but I love you to, much  
Please don't leave me here
