

Our Song

Deb Never

You know I didn't mean to make a deal to break
Yeah, I know I'm fucking fake
Get too comfortable, get bent
Swimmin' deep
Yeah, I'm swimming deeper
Drown in your arms for the summer
We don't know how long this will last either
I don't know where my head is

Only you who may know better (Oh-oh)
You don't make me feel no better (Oh-oh)
Don't go running, will you stay and
Lay in bed while the seasons change and
Promise me you won't lose interest
Don't understand the way I'm made

Burning faster than we had been
Running faster to nowhere
Yeah, I'm back up on my bullshit
I don't know where I'm going
Late nights pacing back and forth (Oh-oh)
The ceilings closing in too fast (Oh-oh)

Well maybe I don't wanna be alone
Yeah, maybe I don't wanna be alone
Yeah, maybe I don't wanna be alone
Maybe I don't wanna be alone
Yeah
