

Swimming

Deb Never

Treat me like you give a fuck about me now
If I ever let up, will you hold it down? (Down)
Ask me if I'm good, I'll answer, "I'm okay" (Okay)
Wear a face, you'll never know, oh

What is it you're missing? Had no pot to piss in
Had no one to listen, shoulda known
Got makeup on your pillow 'cause daddy didn't love you
Pity party, guess you're better off alone

We all need somebody else
Guess I need somebody to
Get me through the nights with you
Come on in, don't get too close, yeah

Treat me like you give a fuck about me now (Now)
If I ever let up, will you hold it down? (Down)
Ask me if I'm good, I'll answer, "I'm okay" (Okay)
Wear a face, you'll never know, oh

I've been swimming in a pool of money
I keep drowning in false hope
I keep swimming in a pool of phony
People I don't even know

We all need somebody else
Guess I need somebody to
Get me through the nights with you
Come on in, don't get too close, yeah

Treat me like you give a fuck about me now (Now)
If I ever let up, will you hold it down? (Down)
Ask me if I'm good, I'll answer, "I'm okay" (Okay)
Wear a face, you'll never know, oh
