Deb Never

You don't want me, I don't want you  
You don't wanna do things I want to  
Why can't we separate?  
Am I that desperate to feel the way that we used to?  
When you don't want me, but I need you

I remember when we stayed awake  
The neighbors complained at 4 AM  
I'll never forget how you make me cry just to laugh again  
Like a drug addict, I can't predict how you make me feel  
And I don't answer my phone unless I see your name

You don't want me, I don't want you (Oh)  
You don't wanna do things I want to (Oh)  
Why can't we separate?  
Am I that desperate to feel the way that we used to? (Oh)  
When you don't want me, but I need you (Oh)

You don't want me, but I need you  
I guess I fell for you just to get rid of the pain  
Can't help but do it all over again  
I'll get too close to the edge  
Just let me know when I can call you

You don't want me, I don't want you (Oh)  
You don't wanna do things I want to (Oh)  
Why can't we separate?  
Am I that desperate to feel the way that we used to? (Oh)  
When you don't want me, but I need you (Oh)  
You don't want me, but I need you (Oh)

Oh  
Oh  
Oh  
Well, you don't want me, but I need you  
Well, you don't want me, but I need you
