

# Be My Lady

DeBarge

How I love to see you move your sexy body  
The way you move when you groove  
When you're with me down the dream  
Come along with me I promise I'll be good to you  
Don't you make no plans let it happen naturally

And I want and you know that I'm out to get you  
And I'm not just playing with you  
So I hope you get the picture

Be my lady, be my lady  
And I want you to be my lady  
Be my lady girl

Oh you should be with me  
I'm turning down the other girls  
That try to get me

Everytime you come around it's so exciting  
See the smile on your face gives me so much energy  
There's nothing in this world I wouldn't do for you  
It's like I'm having you standing right here next to me  
And I want, and I want you, and you know that I'm out to get yo  
u  
And I'm not just playing with you  
So I hope you get the picture  
Be my lady, and I want you to be my lady, be my lady girl  
Oh you should be with me I'm turning down the other girls that  
try to get me

And I want and you know that I'm out to get you  
And I'm not just playing with you  
So I hope you get the picture

Be my lady, be my lady  
And I want you to be my lady  
Be my lady girl

Oh you should be with me  
I'm turning down the other girls  
That try to get me
