DeBarge

Baby you are my love and I don't won't you to go no no no
I know you are the one that I really need now
(Don't go don't go) don't go away
Just because your not my girl don't mean that I, can't be your friend
(But if you go) then let me say you can rest assure that I'll b e right here

When you need somebody (need somebody yeah)
When you need a friend yeah yeah (you need a friend)
Someone who hold on to (need somebody yeah)
On who you can depend (you need a friend)

Let me tell you girl, baby if you need love you don't have to g o far
My arms will hold you tight, right here where you are
(Don't go don't go) don't go away
Just because your not my girl don't mean I can't be your friend
(But if you go) then let me say you can rest assure that I'll b e right here

When you need somebody (need somebody yeah)
When you need a friend (you need a friend)
Someone who hold on to (need somebody yeah)
On me can depend yeah yeah (you need a friend)
