

Saving Up (All My Love)

DeBarge

All my life, I knew that someday I would find you
You and I, we were always meant to be
Every night and day, the way you drive me crazy
It's making want you more and more
This is what I've been waiting for

I'm saving (Saving it up, saving it up, saving up all my love)
Saving up all my love (Saving it up, saving it up, saving up all my love for you)
I'm saving, yeah (Saving it up, saving it up, saving up all my love for you)
Oh, baby, saving up all my love for you

Every time we talk, I couldn't feel it any better
Every time we touch, I could get closer not to you
Nobody in this world can make me feel like you do
Where in my troubles in the past
'Cause darling, I found my love at last

I'm saving (Saving it up, saving it up, saving up all my love)
Saving up all my love for you (Saving it up, saving it up, saving up all my love for you)
I'm saving, yeah (I'm saving it up, saving it up, saving up all my love for you)
Saving up all my love for you

I'm saving, I'm saving (Saving it up, saving it up, saving up all my love)
(Saving it up, saving it up, saving up all my love)
Ooh, baby, I'm saving, yeah (Saving it up, saving it up, saving up all my love for you)
Saving up all my love for you
Darling, don't you know it's true

I'm saving
I'm saving (Saving up)
(All my love, I'm saving up) Saving all my love for you
(All my love, I'm saving up) Oh, baby
(All my love, I'm saving up) I'm saving up, saving
(All my love, I'm saving up) Saving
(All my love, I'm saving up) Saving
(All my love, I'm saving up) Whoa, baby baby
(All my love, I'm saving up) Oh-oh-oh, yeah
Saving, saving (Saving up, saving up)
(Saving up all my love for you) Saving

All my love for you (I'm saving it up, saving it up, saving up all my love)
Oh, yes, I am
Been saving it, I've been saving it (Saving it up, saving it up, saving up all my love for you)
I've been saving it up, woo-
ooh (I'm saving it up, saving it up, saving up all my love for you)
Saving up all my love for you
Baby, don't you know it's true

Baby yeah, I've been (Saving it up, saving it up, saving up all my love for you)
(Saving it up, saving it up, saving up all my love for you)
(I'm saving it up, saving it up, saving up all my love for you)

(Saving it up, saving it up, saving up all my love for you)
