

Stay With Me

DeBarge

Baby you can't go on
Wondering where you belong
Let me help you find yourself
You don't need nobody else

Aw, you should be right with me babe
Instead of going around this frantic town
And start messin' around
With all the lonely, lonely people out there
No one to care, won't you come stay with me
Because I love you so

You tell me you love me so
Why do you have to go
Everything you'll ever need
You will find right here with me

Aw, you should be
Aw, you should be right with me babe
Instead of going around this frantic town and start messin' around
With all the lonely, lonely people out there
No one to care, won't you come stay with me because I love you so

Stay with me, stay with me, stay with me
Stay with me, stay with me, stay with me
Stay with me, stay with me, stay with me

Aw, you should be with me babe
Aw, you shouldn't go nowhere
And all I'm trying to tell you babe
Is happiness is waiting for you

So won't you stay with me
Stay with me
So won't you stay with me
Stay with me
I got what you need
Stay with me
So won't you stay with me
Stay with me
Don't don't nowhere baby, don't go no, no
Oh, I got what you need
So won't you stay with me
Stay with me

Don't go, don't go, I love you so
Don't go, don't go, I love you so
Don't go, don't go, I love you so
