

# Time Will Reveal

DeBarge

What can I do  
To make you feel secure  
Remove all your doubts  
So that you'll know for sure

That you're the apple of my eye, girl  
Fulfillment of my dream  
Time will show the value  
Of just what you mean to me

More precious than silver  
More precious than diamond rings  
Or anything that I could give you

It wouldn't mean a thing  
If you didn't have my love  
Beside you there to guide you through  
Well, ain't it good to know you do

I know just how you feel  
But this time love's for real  
In time, it will reveal  
The special love that's deep inside of us  
Will all reveal in time, oh

I tell you I love you  
But you won't believe it's true  
More precious than silver  
More precious than diamond rings

Or anything that I could give you  
It wouldn't mean a thing  
If you didn't have my love  
Beside you there to guide you through  
Well, ain't it good to know you do

I know just how you feel  
But this time love's for real  
In time, it will reveal  
The special love that's deep inside of us  
Will all reveal in time, oh

I know just how you feel  
But this time love's for real  
In time, it will reveal  
The special love that's deep inside of us  
Will all reveal in time, oh

Hey, baby, yeah, baby

Or anything that I could give you  
It wouldn't mean a thing  
If you didn't have my love  
Beside you there to guide you through  
But ain't it good to know you do

I know just how you feel

But this time love's for real  
In time, it will reveal  
The special love that's deep inside of us  
Will all reveal in time, oh
