

## Butcherman

## Debauchery

I'm here for killing  
Warm blood spilling  
Maiming the virgin slut  
Just need a corpse for a fuck

Butcherman

Ocean of pure evil  
Prophet of the Devil  
I cut your throat  
Of that I'm proud

Butcherman

I gather my equipment  
To open up your anal cunt  
Time to burn, time for bleeding  
For the fucked up virgin
