

Continue To Kill

Debauchery

Kill for the living
Kill for the dead

Your body will be ripped apart
In small gory fucking parts
The violence is unbroken
Debauchery is awoken

The ribcage is open wide
Hooks and knives in your side
Brutal torture in the pit
Continue, never quit

Maiming, burning, killing fury
Cunt ripped open - Fine and juicy
Bringing the pain - Bringing the blood
Ripped apart - Gutsfuck

Blood runs - Anger rise - Death wakes
War calls
