

King Of Killing

Debauchery

This goes out to all the
Fuckers who hate me
To all the fuckers who hate
Debauchery
Fuck you!

I will stitch your anus together
So you will drown in your own shit.

You can't control me anymore
I'm ready for the world war
I'm here to fucking kill
You have lost, you always will

With the screwdriver
Right into your anus
With the axe going for the penis
I rape your bitch your mother too
Don't take me for a fucking fool

I'm an evil soldier of the devil
I'm a slave to darkness forever
I'm the butcher prince of the fucking
Blood God
If you don't like me just fuck off!
