

## King Of Killing

## Debauchery

This goes out to all the  
Fuckers who hate me  
To all the fuckers who hate  
Debauchery  
Fuck you!

I will stitch your anus together  
So you will drown in your own shit.

You can't control me anymore  
I'm ready for the world war  
I'm here to fucking kill  
You have lost, you always will

With the screwdriver  
Right into your anus  
With the axe going for the penis  
I rape your bitch your mother too  
Don't take me for a fucking fool

I'm an evil soldier of the devil  
I'm a slave to darkness forever  
I'm the butcher prince of the fucking  
Blood God  
If you don't like me just fuck off!
