

# One Hand, One Heart

Debbie Gibson

Come with me,  
To a place where  
All is free  
No one to tell you what to do,  
How to tell me your feelings  
Just, pure honesty...

I know that,  
If we were  
Given space  
Baby we'd find our place  
Together  
But people get in the way  
'Cause they don't understand.

All alone.....  
I want to be  
All alone.....  
Sharing my heart, my home  
In your arms  
All alone.....  
No people and no telephone,  
Just you and I.....  
One hand, one heart.

How can you  
Sit around taking  
In the view  
While people tell you  
What to do  
You know it ain't right.....  
Use your mind  
Leave the whole world behind.....  
They're only temporary friends  
Your happiness depends on you.

Everyone has their own opinions  
Well everyone knows what to do.  
Just look around and keep your eyes wide open this time  
If they're in love would they listen to you?

Let's share our heart, a home in your arms  
All alone.....  
No people and no telephone,  
Just you and I.....  
One hand, one heart.
