

## Blessing

Debby Boone

May God bless and always keep you  
Whether near or far away  
May you always turn to Jesus  
With His kind and loving ways

Through your troubles He will take you  
On His Word you can depend  
That He never will forsake you  
He'll stick closer than a friend

May His mercy always keep you  
From the wicked and the vain hearted  
People who'd deceive you  
And lead you into shame

Through your troubles He will take you  
On His Word you can depend  
That He never will forsake you  
He'll stick closer than a friend

May God bless and always keep you  
Whether near or far away  
May you always turn to Jesus  
With His kind and loving ways

Through your troubles He will take you  
On His Word you can depend  
That He never will forsake you  
He'll stick closer than a friend

May His spirit always keep you  
From the crooked deeds of night  
As He strengthens you with power  
And leads you to the light

May God bless and always keep you  
Whether near or far away  
May you always turn to Jesus  
With His kind and loving ways

Through your troubles He will take you  
On His word you can depend  
That He never will forsake you  
He'll stick closer than a friend
