

With Every Breath

Debby Boone

With every breath that I take
With all the strength of my heart
I will praise the Lord, my King
I will praise the Lord, my King

With every breath that I take
With all the strength of my heart
I will praise the Lord, my King

I will praise
(Jesus)
I will sing to You, my Lord
(Jesus)
Oh, Jesus

With every breath
(Jesus)
And with all the strength
In my heart
I will sing
(Jesus)
